## NOTICE

## CHANGE OF EFFECTIVE DATE OF RULES AND REGULATIONS RELATING TO SECURITY FOR THE PROTECTION OF THE PUBLIC

DECEMBER 10, 1936.

The Commission has today further extended to February 15, 1937, the time for taking effect of the order of August 3 relating to security for the protection of the public. This action was in recognition of the fact that the status of certain carriers and classes of carriers is as yet undetermined by the Commission and that hardship might be caused by requiring

compliance with the rules of the Commission respecting security for the protection of the public in the cases of carriers who may ultimately be determined not to be subject to such requirements.

It will be understood that no certificate, permit, or license may lawfully be issued until the rules and regulations of the Commission respecting security for the protection of the public shall have been complied with and therefore nothing will prevent any carrier subject to the Motor Carrier Act, 1935, from furnishing the security for the protection of the public provided for in the said rules and regulations at any time prior to February 15, 1937.
